- Architect office Pont 12 was founded in 1996 by Christiane von Roten, Cyril Michot and Norbert Sera

In 1996, François Jolliet, Antoine Hahne et Guy Nicollier founded their office Pont12. In 2013, Christiane von Roten, Cyril Michod and Norbert Seara, associate partners, joined the management. A large proportion of their contracts are the result of competition successes. Their architecture is inspired by the needs of the users and is characterised by a careful choice of materials and sophisticated details.

Text in English, German and French.
