- Stefan Bogner's most personal book to date, charting the ideal tour through the alps
- Three countries and fourteen passes over four days
- In Porsche models like Porsche 906, Porsche 911, Porsche 918 and more

After his last book *Escapes*, Stefan Bogner returns to the Alps again with this beautifully illustrated book. This time he not only photographed particular routes, but he looked for the ideal tour through the Alps: 3 countries, 14 passes – the perfect little escape for 4 days. Different from Bogner's photographs in *Escapes* or *Curves* where Bogner presents dreamlike empty streets, ***Porsche Drive*** focuses on the journey in Porsche models like Porsche 906, Porsche 911, Porsche 918 and more.

Stefan Bogner also drives his own Porsche 911 1970 ST. Jan Karl Baedeker's sweeping lyrics make the track even more tangible – almost as if you were at the wheel of your own Porsche. In addition to Bogner's amazing photographs, ***Porsche Drive*** offers information on each route and height profile, allowing the reader to follow itinerary.

Text in English and German.
