**Porsche Escapes** is an exclusive photographic journey that celebrates Porsche not merely as a car, but as a lifestyle. Authored by Derk Hoberg, former member of the editorial board of *Porsche Club Germany* magazine, the book takes readers on a visual tour of the most breathtaking routes, legendary locations, and signature events that define the Porsche experience. From the majestic Alpine passes such as the Großglockner High Alpine Road to the legendary Nürburgring “Green Hell” and the stunning coastal roads of California, this volume combines emotive imagery with expert insight. More than a premium coffee table book, **Porsche Escapes** serves as a source of inspiration for Porsche enthusiasts seeking to elegantly express their passion within their living spaces.

The Porsche myth did not only captivate **Derk Hoberg** during his earlier role as Deputy Editor-in-Chief of the *Porsche Club Germany* magazine. Even in his previous stations, such as at Mediengruppe RTL, he developed a passion for travelling in style and created several online magazines on topics like travel, lifestyle, automobiles, and sports, which he now oversees as Publisher and Editor-in-chief – and was awarded the Laureus Media Award twice. Additionally, he is a travel book author, has contributed to several editions of the *Porsche Sport* book series, and works as a journalist for renowned print magazines and newspapers.
