Get ready to go on a series of exciting maze adventures with fire-breathing dragons, beautiful princesses, and knights in shining armour. Can you find your way to the end of each puzzle – and count all the characters on the page, too? Are you ready for a challenge? Do you have a keen eye? Find out! Every richly designed maze on these colourful pages features dozens of princesses, dragons, and knights, all trying to distract you from reaching the end. Sharp solvers must find the right path, but they'll also have to count the characters and the objects they see along the way – royal crowns, skulls, owls, ghosts, cauldrons, a wizard's books – and add them up. Keep your concentration, and then check the solutions at the back of the book to see if you've got it right. Ages: 6 plus
