- Magical children's tale of one boy's quest to search for water to save his village and his grandmother's potted plant. An epic adventure tale with beautiful illustrations by established artist Kate Baylay

Rabbit Cloud and the Rainmakers is an endearing folktale brought to life in the 21st century. An engaging quest on one level, it introduces themes of social responsibility and environmental issues.

This is novelist **Gee Svasti's** first children's book, he is also the author of *Mesmerization* a book looking at social memes. **Kate Baylay's** work is widely published and exhibited, and features in books by Faber & Faber and also the Royal Collection.
