- Discover Flanders' secret art treasures, masterpieces, and curiosities from the Flemish Community's art collection

Of the more than 40,000 pieces that make up the Collection Flemish Community, only a small portion hangs in the halls of major museums. Most of the collection is out of sight of the general public.

Reflections – Views on the Collection Flemish Community reveals for the first time the result of years of collecting and unveils the diversity of art in Flanders. Masterpieces are placed alongside unknown treasures. Present and past are interwoven in marvellous combinations. The result is not only a feast for the eyes, but also offers a surprising insight into the multitude of ways in which one can look at art and demonstrates how unique the collection is.
