A richly illustrated book about the celebrated connoisseur, collector and philanthropist Sir Richard Wallace (1818-1890), published by the Wallace Collection to mark the bicentenary of his birth.

Includes 490 illustrations and new information on Wallace's origins and life.

Sir Richard and Lady Wallace began a grand new life in 1818, when they moved to the newly built Wallace Collection. The house was designed by Sir John Soane and was one of the most important examples of Regency architecture in London. It was built for Sir Richard's father, Sir John Wallace, and was one of the most important examples of Regency architecture in London. It was built for Sir Richard's father, Sir John Wallace, and was one of the most important examples of Regency architecture in London.
