Street Art: A Guide for Armchair Travelers is a uniquely illustrated journey through more than 30 cities and the languages of contemporary street art around the world. Weaving together art, travel, and urban culture, this volume presents murals and graffiti as urban reading tools, capable of restoring identity and telling the stories of cities and their people. This guide offers a conscious and dynamic exploration of public space proposing unconventional itineraries around the city, complete with maps, routes, and updates on the condition of the artworks. Interact with your favourite art even further by scanning the QR codes included alongside each piece to download maps for reference while travelling!
Interactive Art Adventure: Scan the QR codes to download maps and travel to your favourite pieces from the comfort of your chair! Journey Around the Globe: Guides readers through street art in more than 30 cities across five continents. Clear & Organised Guide: With a guide format and organised by country and city, each artwork includes images and a brief description of the piece and its intent. Written by Italian Banksy expert and urban art enthusiast Luca Greco.
