- A niche and rarely covered subject: the intersection of store fashion and brand culture
- Pictures, drawings, and design ideas illustrate 40 case studies, carefully selected to demonstrate a broad range of store fashion
- Provides both designers and fashion enthusiasts with a valuable and useful reference

With customers demanding an increasingly personalised experience, stores must project a distinctive visual style to stand out among the many uniform products and services out there. *Stylish Retail Store Interiors* analyses a variety of case studies to outline the latest trends in retail design, from organising store layout to designing enticing product displays, providing both a useful reference for professionals and a source of inspiration for students.
