- Thirty-five new contemporary and timeless kitchens by renowned interior designers and kitchen specialists from all over the world

Thirty-five new contemporary and timeless kitchens by renowned interior designers and kitchen specialists from all over the world are presented in this inspirational book.

In our rapidly changing living environment, the kitchen is one of the most important rooms in the home. It is here where family members meet every day, where they cook and eat, and where they also work and play. As such, interior architects and kitchen designers pay a lot of attention to the arrangement and organisation of open-plan kitchens in their new projects. This book offers readers dozens of inspirational ideas for the design and realisation of their dream kitchen.

Text in English, French, and Dutch.
