*"For those of us who play Tennis this book by Peter Feierabend and Stefan Maiwald takes the reader through the entirety of the game, from the lifestyle to the personalities, the Ultimate Tennis Book covers it all. Even if you aren't a player, you'll want to pick up a racket by the end."* —

#### The Gentleman Racer

Formerly reserved for the elite, tennis has become a popular sport over the years. And even if you don't play yourself, the tennis lifestyle exerts a certain fascination. It's not uncommon at Grand Slams like Wimbledon to find it more interesting who's watching from the stands than who's down on the court. However, famous tennis personalities are also a source of conversation – just remember John McEnroe's infamous outbursts. This, the ultimate tennis book is dedicated to the stories on and off the court, it explains the history of the sport, shows the most important courts and tournaments, the most exciting competitions and legendary athletes. Tennis fashion and equipment are also covered, and who knows, maybe after reading this entertaining tennis compendium you will feel the need to pick up a racket.

Text in English and German.
