"If you wish to travel the world but are hindered by budget or time constraints, a relatively inspiring alternative is to explore …. "The Art Travel Book: 40 Iconic Outdoor Artworks." — **The Arab News**

The Art Travel Book takes you on a journey across the globe, past iconic outdoor art installations and sculptures. The book showcases both well-known landmarks and hidden treasures: all extraordinary works that harmonise with their natural surroundings. From the arid plains of Texas to the cliffs of the South of France, from the verdant forests of England to the rugged beauty of Cape Town: many of the locations featured are freely accessible, making ***The Art Travel Book*** as much an invitation to travel as a source of inspiration for art and nature enthusiasts. The book provides background information on the artists, the artworks and their settings, while also offering curated recommendations for nearby sites of interest. It's the perfect travel guide for art enthusiasts with a craving for new discoveries.

The authors, **Nadine van den Bosch** and **Nienke van der Wal**, are the founders of Young Collectors Circle— a platform that supports emerging art collectors and promotes sustainable engagement with the art world. Nadine and Nienke have travelled the world to visit foundations, artists, museums and galleries, and have encountered some astonishing artworks along the way.
