• 100 beautiful creations tell stories of love, gratitude, farewell, mood and hospitality

The bouquet is without a doubt the bestseller among all floral works. Bouquets make ideal thank you gifts and they are superb for spoiling your loved one on Valentine's Day. For every occasion there is a special flower, shape or scent. In this inspirational book, you will find 100 bouquets created by five master florists. They have made beautiful bouquets for every season centred around the themes of love, gratitude, farewell, amosphere and invitation. A great book packed with ideas for every florist and bouquet lover!

Florists:

Janine and Bart Schampheleer from *Domus Florum*, Aalst, Kris De Spiegeleere and Els Van Nedervelde from *Palladio*, Bruges, Anne-France Libert from *Fleurd'O*, Brussels, Patrick Houbrechts and Bea Verbeeck from *Monet*, Alken, and Sofie Lannoy from *PhiloSofie*, Gits.
