Shimmering like a movie star and "a very British affair": for 100 years, Jaguar has been synonymous with elegance and luxury in automobile culture—and it's high time to commemorate this exquisite car brand. Right on time for the 60th anniversary of the E-Type, this new Jaguar photo book from automobile photographer René Staud captures iconic Jaguar designs: the E-Type or XK 140, the SS90 from the 1930s, and Jaguar's first electric car, the I-Pace. The man who elevated automobile photography to art, Staud stages these luxurious sports cars and racing icons in 175 photos, supplemented by texts from Jürgen Lewandowski. A beautiful ride through the complete Jaguar collection, with highlights from racing history, celebrity owners, and legendary Jaguar film appearances, such as *James Bond*, *Harold and Maude*, and more.
