- The classic tale of the *Jungle Book* by Rudyard Kipling

Rediscover Rudyard Kipling's timeless classic through internationally famous artist Manuela Adreani s wonderful illustrations. Together with Mowgli, young readers can explore the dense, impenetrable jungle and face up to the fearsome tiger, Shere Khan! Manuela Adreani's romantic drawings, inspired by the complex patterns on old fabrics and brocades so dear to Flemish painters, will transport the youngsters into a magical world.

After completing her diploma in illustration **Manuela Adreani** worked as a graphic artist and animator. After winning a scholarship for a master course in animation at Turin's IED, she worked for the Lastrego e Testa studio on TV series produced and broadcast by Italy's RAI television: *Le avventure di Aladino, Amita della Giungla* and also on *La Creazione*, based on the book by Carlo Fruttero. In 2011, she began a career as a freelance illustrator, working with Benchmark and Scholastic India and was one of the winners of the illustration contest organised for the 100th anniversary of *Pinocchio*. For White Star Kids she has created the illustrations for: *Alice in Wonderland, Pinocchio* and *Snow White* among others.
