- A beautifully illustrated tale of the power of light, which brings colour and life not only into our visual world but also into the emotional realm of our hearts and minds

**The Light's Way** is artist Judy Pelikan's wonderful companion to *The Heart's Journey*. In twelve original illustrations, Pelikan reveals the life-giving force of light by relating sunlight to color: without sunlight, our natural world is gray, consisting only of patterns, shapes, shadows, and at times, shadows. At the same time, **The Light's Way** shows how the nurturing inner light of the spirit has the power to make our lives colourful and blessed with happiness. **The Light's Way** is an inspirational lesson that urges us, or someone we care about, to choose light and bring colour, physically or emotionally, into the world.

**Judy Pelikan** is the illustrator of the *New York Times* best seller *Grandmother Remembers* and many other gift books. She lives in the north country of New Hampshire.
