- One of the best-selling and most-translated books ever published
- This edition features the full and original text by Antoine de Saint-Exupéry
- Stunning illustrations by Claudia Bordin

In 2023, *The Little Prince* will celebrate 80 years of unsurpassed success. One of the most published and translated books in the world (by some accounts, second only to *The Bible*). Never before have its themes of loneliness, loss, love, and friendship been more relevant. While ***The Little Prince*** is packaged for children, it is appreciated and celebrated by parents and friends. This edition includes the entire, unmodified, original text by Antoine de Saint-Exupery, first published in English after his exile to the U.S. in 1943 – accompanied by exclusive illustrations from Mondo Mombo, a well-known, Italian, children's-art firm founded by Claudia Bordin. Ages 7 plus

Claudia Bordin is known for her ability to mix colours, imagination, and flair. She is the powerhouse behind the Italian art brand Mondo Mombo. In addition to her success with several publishing houses and ad agencies, Bordin has taught art and design to widen the imagination of young schoolchildren.
