Looking for the ultimate guide to New York City? You've found it! ***The New York Bucket List*** brings together the most authentic, quirky, romantic, and one-of-a-kind tips. Whether it's your first time in NYC or you've been living here for over 50 years, this guide will inspire you like never before. This compact pocket guide helps you get the absolute most out of the city. It's divided into nine themed chapters (Adventurous, Authentic, Romantic, Special, Trendy, Happy, Tasty, Sexy, Fun) so you can easily find the best tips without feeling overwhelmed. Say goodbye to decision fatigue—and getting lost in the city that never sleeps. New York isn't just a city trip. It's a journey around the world.

Patrick van Rosendaal is a Belgian-American who lives in New York with his family. He's the driving force behind BE NY, a trusted name for NYC travellers for over 10 years. As an officially licensed NYC tour guide, Patrick explores the city every day—always uncovering new hidden gems.
