- Find more than 150 offices that will inspire you
- Previously published as *Where We Work* ISBN 9789401478335

**The Perfect Home Office** highlights the many options that come into play when designing a home office. It brings together a wealth of inspiring visuals and design ideas from home offices around the world, along with practical guidance and the latest trends. The author introduces a variety of designs and styles – from London to Tokyo, from country-style to industrial – that might inspire us to turn our home offices into more than just a place to work. From tiny offices to panoramic workplaces, from ‘the messy office’ to ‘the glamour office’, every type of office worker will find what they are looking for.
