- A series intended to make children fall in love with literature
- Illustrations that bring new life and style to classic novels

Famous and beloved classics are reinterpreted to capture the attention of young audiences in this engaging book series. This magnificently illustrated edition *The Secret Garden* by Frances Hodgson Burnett brings new life to this timeless story of transformation and healing through nature.

The author was able to keep the spirit of each original novel intact while recounting it with fresh and accessible language. A series designed to make children fall in love with literature and characters they will likely encounter again as older readers. Even the illustrations bring new life with a colourful, contemporary, and almost cinematic style. Other titles in the series includes*Moby Dick* ISBN 9788854420564*, White Fang* ISBN 9788854420533 and *Tom Sawyer* ISBN 9788854420540. Ages 7+

Domenico Russo is an illustrator and concept artist with experience as a props & location designer for various animated productions. With an educational background in animation from Nemo Academy in Florence to the Stephen Silver Drawing Academy in Los Angeles, Russo also teaches 2D layout and composition. He is also a published illustrator.
