- *Detailed Notes*: stylish notecards with a striking detail of a great artwork on the front, and the entire work on the back
- Sixteen notecards (four each of four designs) and seventeen envelopes, housed in a presentation-quality box
- *The Trees of North America* features four details from the plates in Michaux's *North American Sylva*, a classic of 19th-century botanical illustration
- Published in cooperation with the New York Botanical Garden
- A great match with *Audubon's Feathers* (9780789254511), another *Detailed Notes* set
- Price does not include VAT

The *Detailed Notes* are luxury notecards that feature a striking close-up of a great artwork on the front, and the entire artwork on the back. Each set is housed in a presentation-quality box. This set, *The Trees of North America*, reproduces details of four exquisite hand-coloured plates from François-André Michaux's classic *North American Sylva*, by such masters of botanical art as Pierre-Joseph Redouté and Panrace Bessa.

**David Allen Sibley** is one of the world's best-known natural history illustrators and the author of acclaimed field guides, including *The Sibley Guide to Trees*, which have sold more than one million copies.

**Gregory Long** is Chief Executive Officer and The William C. Steere Sr. President of The New York Botanical Garden.

**Susan M. Fraser** is Vice President and Director of the LuEsther T. Mertz Library at The New York Botanical Garden.

**Marta McDowell** is a gardener, lecturer, and horticultural writer. Her books include *All the Presidents' Gardens* (2016) and *Beatrix Potter's Gardening Life* (2013), winner of the Gold Award from the Garden Writers Association.
