- Presents paper as an artistic medium
- Showcases the first exhibition at Deutsche Bank Collection's PalaisPopulaire
- Includes major international artists

The first of Deutsche Bank Collection's new exhibition series, presented at 'PalaisPopulaire' in Berlin, is dedicated to the fascinating artistic medium of paper. **The World on Paper** shows how the everyday and at the same time sensual material paper opens up surprising possibilities, even in an era of innovative technologies. The publication also documents the fact that works on paper in particular give rise to connections with other media and hence visualise current art in all its breadth.

Artists: Doug Aitken, Josef Albers, Georg Baselitz, Joseph Beuys, Hanne Darboven, Ellen Gallagher, Hermann Glöckner, Katharina Grosse, Eva Hesse, Anish Kapoor, William Kentridge, Martin Kippenberger, Imi Knoebel, Maria Lassnig, Markus Lüpertz, Heinz Mack, Helen Marten, Joan Mitchell, Takashi Murakami, Wangechi Mutu, Bruce Nauman, Blinky Palermo, Sigmar Polke, Neo Rauch, Gerhard Richter, James Rosenquist, Karin Sander, Kara Walker, Andy Warhol, Lawrence Weiner, et. al.

Text in English and German.
