From African savannas to American glaciers, ***The World's Greatest National Parks: Expeditions into the Wild*** brings to life 45 of the world's most extraordinary natural landscapes, ranging from iconic destinations to lesser-known parks. This striking volume combines immersive text, breathtaking photography, and curated itineraries with a focus on showcasing the diversity of global protected landscapes and the natural heritage they represent. Practical visiting tips and highlights for each location, such as the suggested time of year to visit, best viewpoints, and essential equipment, blends travel inspiration with environmental awareness, making this the perfect reading adventure for both travel and nature lovers!

A stunning addition to the *Itineraries to Discover Series*: Follows *Castles & Royal Palaces* and *Italy*. Features remarkable parks, including Yosemite, Fiordland, White Desert, Black Forest, Komodo, and more! By respected Journalist Author Jasmina Trifoni, who has a *National Geographic* background. A Luxurious Coffee-Table Experience: Perfect for armchair travel, inspiration, and nature lovers

Jasmina Trifoni, of Croatian origin, has lived in the heart of Rome for the past twenty years. A professional journalist, she writes about places and cultures for *National Geographic, Harper's Bazaar* and other Italian newspapers and magazines. She is the author of several books, including *Afghanistan: Women, War, Islam* and *100 Adventures* for *National Geographic.*
