- Don't just learn about astrology: do it! All the tools you need to read your own horoscopes, analyse the influential elements and create your own ascendant chart!
- A digestible introduction to empower your child to understanding what's behind the globally accepted practice of astrology and horoscopes

Easily understand the fundamental elements of astrology. Learn about your zodiac signs; identify the influential planets; and calculate your ascendant. This book not only teaches the main characteristics of each zodiac sign, but teaches kids how to create their own horoscopes and understand the astrological elements influencing both themselves and their friends! Ages 10+

Ginny Chiara Viola is a copywriter who happened to come across astrology in 2010, after which she studied with Marco Pesatori and attended the Mayo School of London. She is the voice behind the notable astrological blog 'Parola Buona Per Tutti', and creates daily predictions for Facebook, Instagram, and several media outlets. **Sofia Rossi** lives with an inherent passion for illustration and design. She is a graduate of the International School of Comics in Florence, Italy, and an avid children's book illustrator who always adds a though of creativity to every task.
