Scandinavian vintage and design has almost reached its peak. A new trend is required to keep the style sleek and chic, and that trend is 'remix'. The owners of these beautiful houses create cosy, warm and colourful interiors, developing contemporary unity through a blend of personal favourites and rediscovered design classics. Piet Swimberghe and Jan Verlinde are always on the lookout for radiant interiors with personality, spaces that have been decorated with passion and patience, and this book is brimming with them. They interview the owners on how they designed their homes, taking a plethora of bright photographs to highlight every detail. Every page reveals a new world, where you will be inspired by the biggest international trends and influences. Always intimate, personal and unique, these interiors are an inspiration for living rooms, libraries, art cabinets or kitchens.
