'Vintage' is perceived in a different way by different people, creating unique and diverse ideas and concepts. With photos of never before published interiors, art collectors, designers, architects and antique dealers open their homes to present interiors that combine the old and the new. Rediscover the designs from the past and get inspired by the stories of how these interiors have been composed. Text in English, French, Dutch.

Art historian Piet Swimberghe and photographer Jan Verlinde work for numerous magazines such as Elle Living, Cote Ouest, MTC and Weekend Knack. They have produced books on architecture, design and interiors and written many articles for European interior magazines.
