- Z+T STUDIO has received numerous national and international awards, including the 2014 ASLA Professional Awards/ Vanke Research Center and the 2017 ASLA Professional Awards/ Yueyuan Courtyard

Founded in 2009 in Shanghai, Z+T STUDIO approaches landscape design as a way to enhance happiness and address a yearning for a better life. Their work provides a lasting aesthetic experience at a harmonious scale, with streamlined materials and notable craftsmanship. This book presents 18 key landscape design projects completed by Z+T STUDIO between 2009 and 2018. The recipient of numerous national and international awards, their outstanding work represents the highest level of expertise in China and the world's landscape design industry. Included here are project overviews, design concept overviews, and on-site photos, in addition to detailed node drawings and construction process records. Each project is discussed in separate chapters with a wealth of colour illustrations. This book provides new ideas for readers in the landscape design industry and students of landscape design.

Text in English and Chinese.
