Michael Görmann does not work, at least not in the traditional sense. He has been working exclusively with his hobbies for almost 30 years: writing and photographing the beautiful things in life. Görmann’s favourite subjects are typically fast-moving and technically meticulous. His heart races for Old Timers, luxury watches, and technical innovation. After a traineeship at a daily newspaper, Görmann was Chief Reporter for *Uhren-Magazin* (a magazine about watches), founded two agencies, and has worked for titles including *Focus*, *Robb Report*, *Playboy*, and *Stern*.
