- Perhaps the most influential political essay ever written, John Ruskin provides one of the defining texts of British socialism

Perhaps the most influential political essay ever written, ***Unto This Last*** was one of the defining texts of British socialism, and was a decisive experience in the lives of Gandhi and Martin Luther King, amongst many others.

Ruskin's lessons are as urgently needed today as ever. His attack on the greed and short-termism of unbridled capitalism, and on the pursuit of money instead of true wealth, are every bit as inspiring and challenging as they were when ***Unto This Last*** was first published 150 years ago.

A new introduction by Andrew Hill, Associate Editor and City Editor of the *Financial Times*, and editor of the Lombard column, discusses the value of the essay in an age of credit crunch. A foreword by the Master of the Guild of St George, Ruskin's association for social reform, sets out what Ruskinians today can do and are doing.
