*"Forget ordinary stationery! teNeues, the luxury German publisher, transforms notecards, journals, puzzles and even clipboards into works of art, with its latest lineup highlighting paintings by celebrated names such as Vincent Van Gogh, Frida Kahlo, Jean-Michel Basquiat and Claude Monet."* – **Life & Style Magazine**

Vasily Kandinsky (Russian, 1866–1944) was one of the great pioneers of abstract art. To him, art was a means of expression in which what one actually sees and what one feels are blended, rather than a phenomenon of perception.
