"Forget ordinary stationery! teNeues, the luxury German publisher, transforms notecards, journals, puzzles and even clipboards into works of art, with its latest lineup highlighting paintings by celebrated names such as Vincent Van Gogh, Frida Kahlo, Jean-Michel Basquiat and Claude Monet." – **Life & Style Magazine**

Our notecard set features Vasily Kandinsky's *Variegation in the Triangle* in dynamic greens, yellows and reds with our gold foil accent touches.

Vasily Kandinsky was a master of abstraction in it's earliest stages and brought bright geometrics to play in space on the canvas – with the concept that geometry is spiritual and alive, this painting was done during his Bauhaus years.

The 4x5 notecards are blank inside, perfect for all occasions & adorned with painterly foil accents.
