A cute board book with pages that look like a little chalkboard and illustrations that look as if they were drawn with coloured chalk! This simple, yet adorable board book will become a favourite with the littlest ones, who will be inspired to try copying the charming, colourful, chalklike designs. From a bicycle and a bus to a red, blue, and yellow boat, here are vehicles that drive, fly, and sail. They include a car, a motorcycle to zoom round the streets, a big plane in the sky, an ice-cream truck filled with goodies, and a fire truck rushing to the rescue. Ages: 0 to 3
