We choose the best images from well-known classic and contemporary fine artists, plus talented emerging illustrators and designers from around the globe. Vincent van Gogh (1853-1890) had an artistic career lasting only ten years. However, in those years he left behind an astounding legacy of painting that has endured to this day. He was a mad genius and he poured that passion into the trembling energy of his paintings. His canvases are celebrations of humanity & earth, colour & texture.
