- A clear overview of the origins, taste and aroma of Vodka
- With a unique taste classification system
- In the same series, titled *The Complete Guide*, as the hugely successful *Gin & Tonic* ISBN 9789401425605, *Rum* ISBN 9789401450072, *Tequila & Mezcal* ISBN 9789401434645, and *Belgian Beer* ISBN 9789401452892

For a long time vodka has been more than just Russia and Poland's national drink. From Asia and Great-Britain to the United States: this fire water has conquered the world and is now the most sold spirit internationally. The term 'fire water' refers to its most distinguishable quality: a neutral spirit, without smell and with a pure taste. It turned vodka also into a bar-tender's best friend and the basis of every Cosmopolitan, Moscow Mule or Bloody Mary. *Vodka – The Complete Guide* tells the whole story, from the origin and production method to an overview of the numerous vodka brands and the most delicious cocktails. The book also teaches you the best way to enjoy it to the fullest.
