- A perfect gift for the future bride and groom
- With more than 100 images drawn from the finest wedding photographers around the world, this small book captures all aspects of the big day

A festive photographic collection of the laughs, shouts, tears, kisses, pledges, oaths, toasts, and above all, joys of weddings. In the tradition of Abbeville's *Tiny Folio Hug and Kisses*, **Weddings** brings readers down the aisle in an intimate and touching portrait of this most public of private ceremonies. With more than 100 images drawn from the finest wedding photographers around the world, this small book captures all aspects of the big day, from the first primping and preening to the seriousness (or absolute lack of seriousness) of the ceremony, from the perfect, still beauty of every bride to the furious celebration that seals the day in every guest's memory. Poetic quotes trumpet the complex joys of weddings throughout, adding depth to the proceedings. A perfect gift for the future bride and groom.

Timothy Murphy is a freelance writer and frequent wedding guest living in New York City. His other books include A Literary Book of Days and two novels, Getting Off Clean and The Breeders Box.
