- Part of the *Weird and Wonderful* series
- A fun book with a scientific background to see the animals under an unexpected perspective!
- Suitable for ages: 7 plus

Nature never ceases to amaze us, especially in the animal kingdom! In this book, children will be able to follow the adventures of an intrepid explorer through his research, which have brought him face to face with some of the most bizarre and gross animals in the world! A voyage through the countries of the world to discover the most disgusting curiosities about the animals and their habits. A fun book with a scientific background to see the animals under an unexpected perspective! Ages: 7 plus

A graduate in Natural Sciences from the University of Milan, **Cristina Banfi** has taught at various schools. For over twenty years, she has been working in the scientific communication and teaching through play for children. **Rossella Trionfetti** currently works as a children's illustrator, also collaborating in the creation of apps and interactive games.
