Lying on the beach, letting the sand trickle between your toes and enjoying sweet idleness? Exploring exciting cities and getting carried away by the rhythm of a metropolis? Embarking on a safari at dawn, smelling the earthy savannah and seeing wild animals up close? Ambling through ancient ruins and tracking a long-forgotten culture? Everyone has a different definition of what makes the perfect holiday, and the world is full of places that offer something that caters to every taste, whether culturally significant, or simply beautiful. *Where in the World?* takes you to the most beautiful places on Earth, and shows you where wildlife photographers, hobby historians or party animals, seekers of silence or art lovers will all find their very own piece of holiday happiness.
