- The official guide to Windsor Castle, published in conjunction with the Royal Collection Trust
- Engaging text summarises the history of the castle while also highlighting little-known facts
- Stunning photography captures the rooms that will be familiar to those who have toured the Castle, as well as moments from state occasions and Castle life behind-the-scenes

A royal castle for nearly a thousand years, Windsor Castle is the oldest and largest inhabited castle in the world. Today it remains an official residence of Her Majesty the Queen. It is very much a working castle, and a spectacular backdrop to ceremonial and state occasions throughout the year. An enduring symbol of the monarchy, and of the history and traditions of Britain, Windsor Castle is also a home, where The Queen spends most of her private weekends.

This beautifully illustrated souvenir guide offers a history of this magnificent castle, from its foundation by William the Conqueror in the eleventh century to its continuing role in the twenty-first, and highlights some of the extraordinary works of art and other treasures on display in the state and semi-state apartments.

Contents: Introduction; Plan of Windsor Castle; The Medieval and Tudor Castle; The Order of the Garter; St George's Chapel; Treasures of Windsor Castle; The Restoration Castle; Treasures Lost and Found; The Georgian Castle; The Royal Parks at Windsor; The Victorian Castle; The Twentieth-Century Castle; Queen Mary's Dolls' House; The Castle Today; The Fire of 1992; The Castle Community.
