- Illustrates in colour a selection of items from the Henry Rissik Marshall Collection

**Worcester Porcelain** illustrates in colour a selection of items from the Henry Rissik Marshall Collection of 'First Period' Worcester Porcelain (1751-83), given to the Ashmolean Museum in 1957. The pieces show all the major changes in shape and decoration during the period and include examples that are both rare and important.

**Dinah Reynolds** is an authority on British ceramics and has worked for several years on the Ashmolean's collection.
