• Illustrates in colour a selection of items from the Henry Rissik Marshall Collection

Worcester Porcelain illustrates in colour a selection of items from the Henry Rissik Marshall Collection of 'First Period' Worcester Porcelain (1751-83), given to the Ashmolean Museum in 1957. The pieces show all the major changes in shape and decoration during the period and include examples that are both rare and important.

Dinah Reynolds is an authority on British ceramics and has worked for several years on the Ashmolean's collection.
