- Features 992 pages of stickers, stadiums, scores, formations, rankings, summary tables and results that have made the history of the World Cup

"A trip down memory lane." — **Artbooks Reviewed**

Since 1970, the collection of Panini stickers has accompanied every FIFA World Cup, which takes place every four years. The collection is not only a practical guide to the final tournament, but also provides a valuable visual archive of all the teams and their memorable matches.

Through the faces of its protagonists, the book tells the story of the World Cup from Mexico 1970 to Qatar 2022, played for the first time in winter. Famous and less famous champions, loved and less loved, who shared the desire to raise the most coveted football award to the sky.

Includes 992 pages of stickers, stadiums, scores, formations, rankings, summary tables and results that have made the history of the World Cup.

For lovers of statistics and curiosities, the albums – always published before the competitions and shown in their original format – are completed by graphs and tables of the results of the final phase of the tournament and, starting from South Africa 2010, by an insert with stickers of substitutions.

Text in English, Spanish, French, German, Dutch and Italian.
