With **Wristwatch Annual**, collectors have at hand a wealth of information on the latest offerings from today's most important watch producers, from Swiss mainstays like Rolex and Patek Philippe to the maverick independent brands springing up across Europe and the U.S. The book is arranged alphabetically by producer, and the movement, functions, case, band, price, and variations of each pictured watch are fully described.

This year's edition, like its predecessors, features a variety of additional articles on independent watchmaking, key personalities in the watch world, and the technical aspects of horology. An illustrated glossary and a primer on watch care help acclimate the reader to the world of fine timepieces.

Peter Braun is editor-in-chief of the renowned German wristwatch magazine *Armbanduhren*. **Marton Radkai**, an independent journalist, has edited the English-language edition of *Wristwatch Annual* since 2011.
