- 300 different types of rum categorised using an innovative taste model
- A clear overview of the origins, taste and aroma
- In the same series, titled The Complete Guide, as the hugely successful Gin & Tonic ISBN 9789401425605, Tequila & Mezcal ISBN 9789401434645, Vodka ISBN 9789401451550, and Belgian Beer ISBN 9789401452892

The diversity of flavours and colours of rum is as rich as the history and culture that surrounds this alcoholic beverage. This guide provides an overview of more than 300 different types of rum and then categorises them using an innovative taste model. For every rum, you receive a clear overview of its origins, taste and aroma. In addition, you can read all about the different types of rum, the production and maturing process, the perfect way to serve, and the best cocktails. Also available: Gin & Tonic ISBN 9789401425605 Tequila & Mezcal ISBN 9789401434645

Fascinated by cocktails and spirits, Tom Neijens changed course five years ago. He quit his job and started his own Tiki bar The Drifter. In 2013 he reached the highest achievable level in Belgium in terms of technical knowledge of spirits. Isabel Boons is a culinary journalist and previously contributed to Gin & Tonic, Tequila & Mezcal and Vermouth. Wim Kempenaers is a successful photographer who regularly takes photographs for various Belgian magazines and newspapers.
