London is full of strange and beautiful sights. It is a place for traditions and rebels, for the establishment and every alternative subculture. This book celebrates the diversity of the city. It invites you to see Little Ben or the fake 10 Downing Street, and answers both conventional and unusual questions. What, apart from Rolling Scones, will you see at God's Own Junkyard? Where does an old-school gentleman buy his wine and umbrellas? Why did Robbie Williams feud with his next-door neighbor? How has the city commemorated the Queen Mother and Princess Diana? In which park do 100-year-old naked ladies cavort on the banks of the Thames? Where did Lenin and Julian Assange campaign for their beliefs? And which bridge rolls itself up?

John Sykes was born in Southport, Lancashire, studied in Oxford and Manchester and lived in London before moving to Germany and making his home in Cologne. He has written and translated books about London, including one in the form of a Sherlock Holmes mystery, and is the author of several travel guides about the British Isles.
