Miami is a city in constant motion, where luxury high-rises reshape the skyline and vibrant art, neon-lit beaches, and tropical charm create a one-of-a-kind atmosphere. Beyond the lively nightlife lies the serene paradise of the Keys, a chain of islands steeped in history, hidden gems, and sun-soaked adventures.

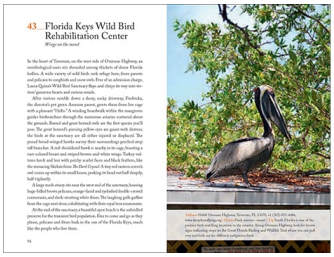

This guide uncovers Miami and the Keys' most unusual experiences, inviting you to explore places you've passed or never noticed. Discover rotating art displays in a millionaire's mansion, dance to Latin rhythms in Little Havana, or slide down a two-story chute into a shopping haven.

Dive into crystal-clear waters to explore pirate shipwrecks, visit the country's smallest post office, or track down Florida's elusive Skunk Ape. Seek tranquility at a tropical Buddhist temple, stroll through mango groves, and celebrate sunsets at the southernmost point of the U.S. 111 places are waiting to reveal the magic of Miami and the Keys.

Gordon Streisand is a third-generation Miami native whose family has called Miami and the Keys home since the now dwarfed courthouse was the tallest building in the city. A graduate of the University of Florida in Gainesville, Gordon has been an attorney in Miami since 2019. Outside of practicing the law, he enjoys exploring the lesser-known wonders of his hometown with his better half and co-author, Alexandra. **Alexandra Streisand** is a storyteller and photographer known for her ability to capture the beauty of hidden places and everyday moments. Her background in sociology and master's degree in business is reflected through her lens and words to share the impactful stories she encounters in the place she now calls home. A New Jersey native, Alexandra fell in love with Gordon in the heart of Miami which they continue to explore together.
