- Features interesting and unusual places not found in traditional travel guides
- Part of the international *111 Places* series with over 650 titles and 3.8 million copies in print worldwide
- Appeals to both the local market (around 1.2 million people call Salt Lake City home) and the tourist market (around 5 million people visit Salt Lake City every year!)
- Fully illustrated with 111 full-page color photographs

111 Places in Salt Lake City That You Must Not Miss invites locals and frequent travelers to travel deeper into the heart of this small yet mighty metropolis. Founded in 1847 by Brigham Young as a religious refuge, Salt Lake City has become a promised land for urban artists, outdoor enthusiasts and powder-seekers drawn to the Wasatch Mountains and nearby Park City. Beyond the city's beloved attractions, hidden treasures await around every corner. Readers can learn about the first woman to cast a ballot under an equal suffrage law, search for the Great Salt Lake's saline cryptid, visit the world's biggest pit, discover Mark Twain's stagecoach stop and check into an Enchanted Forest or Ancient Egypt at a historic inn. Whether you've lived in Salt Lake City for 10 years or are visiting for the 10th time, this guide reveals places that surprise, delight and perhaps even shock — rediscovering the true Crossroads of the West.
