Jurgen Lijcops has been working as a sommelier and spirits connoisseur in some of the most esteemed restaurants. He travels the world to constantly expand his knowledge, so it shouldn't come as a surprise that he knows the most exquisite bars, where you can sit back and enjoy some of the best cocktails and spirits around. In 2016 he started his own Bar Burbure, where he serves the most refined cocktails and long drinks. That same year it was awarded the title of best bar concept. He was elected best sommelier of Belgium and best host of Belgium twice by Gault Millau.
