Welcome back to the wonderful world of Simon Drew! A combination of artist and wordsmith, Simon combines these talents with an inventive and quirky sense of humor in his range of books, this being his twenty-seventh. Gifted with a keen sense of fun and a lively imagination, Simon Drew interprets conventional words and phrases, situations and circumstances in pictures and prose, turning his attention this time to the alphabet.

**Simon Drew** lives in Dartmouth, England, with his wife, Caroline, and his dog, Rabbit. He works mainly in pen and ink, making fiendishly inventive drawings of everyday objects, birds and animals embellished with devious rhymes and word play. His work is widely acclaimed and exhibited, and is already the subject of numerous books. Drew's designs are also incorporated into a wide variety of stationery and accessories ranging from cards, mugs, t-shirts and aprons.
