Hoxton Mini Press set out to design the perfect notebook for creative thinkers: it had to lay flat, have beautiful paper and hard-wearing cloth but also be a space where mistakes are welcome. Speaking from experience, the East London publisher recognizes that the major blocks to creativity are lack of confidence and the terror of perfection. This clothbound lined notebook, whilst being reassuringly beautiful, also contains inspirational quotes on creativity that give the user the permission to let loose on the page, to scribble silliness in complete reassurance that the best ideas often flush out with the worst ones. Life can be a bit messy, after all.
