- Together with a collection of never-before-seen stencil pieces, the book provides exclusive insight into the birth of modern street art and culture

Drago's *36 Chambers* series explores one of the world's best-known street artists and the evolution of his unique iconography. Nick Walker's iconic bowler-hatted character is an urban prankster whose timeless work possesses a charming yet mischievous sense of humor. Together with a collection of never-before-seen stencil pieces, the book provides exclusive insight into the birth of modern street art and culture.
